There is no leak guarantee when connecting to or resealing old downspouts or gutters.

Valley Gutter Co. does not do dry rot or any woodwork. If any job is scheduled, we will assume it is ready for install. If building is not ready, a service fee of \$50.00 will be charged. If rafters are not plumb, contractor or homeowner must shim or cut.

Runs over fifty (50) feet may require an additional seam or expansion joint. If return trip is required for downspouts, a trip charge will apply.

Crew arrival times are approximations only, not guarantees.

Gutters are guaranteed not to leak, but no guarantees against roof to gutter leaks.

Travel and gas charges may apply.

If payment is not received within 15 days, pre-liens will be sent out.
