Valley Demo & Raingutter does not offer a leak guarantee when connecting to old gutter and/or downspouts. We do NOT provide dry rot or woodwork services. If a job is scheduled, we will assume that it is ready. If it is not ready, a service fee of \$100 will be charged. Standard installation is done using bull nose hangers. Runs over 50 ft may require an additional seam or expansion joint. When a return trip is required to install downspouts, a return trip charge will apply. If payment is not received within 15 days, pre-liens will be sent to all parties.

We accept cash, checks, credit cards, and cashier's checks
